WE KNOW THAT YOUR REPUTATION IS EVERYTHING.

.....

THAT'S WHY WE WORK HAND
IN HAND WITH PLUMBERS
AND INSTALLERS TO DEVELOP
PRODUCTS THAT ARE EASY TO
FIT AND BUILT TO LAST.

We understand that time
is money, which is why
all our products are
designed with you in mind, making
them quick and simple to install.

The Axces by
VADO collection
comes with
a reassuring 10-year
guarantee*. So you can be
confident knowing you are
fitting the best products for
your customer.

All Axces by
VADO taps are
manufactured
from quality brass and
chrome plated, meaning
your customers will have
a high-quality shine for
years to come.

* Visit www.vado.com/support/guarantee for full guarantee detail.

Many of our Axces by VADO taps are fitted with a Neoperl

Dual Core aerator as standard, meaning they compensate for low pressure, save your customers money and will aid compliance with building regulations.

Look out for this symbol.

One of the main reasons for trade call outs is for leaking tails which have corroded over time. For complete peace of mind, all Axces by VADO products come with WRAS approved Tucai tails as standard.

We believe that good quality design shouldn't be exclusive to designer ranges. We innovate where it matters to ensure your customer can feel the difference.

Selected showering products have been fitted with thermostatic cartridges and lifecycle tested to 50,000 cycles, ensuring maximum performance even in the busiest of households.

THE NEWEST ADDITION TO YOUR TOOL KIT.
