kovera

reddot award 2015
winner

Inspired by the way waterfalls sculpt our natural environment, **Kovera** offers an elegant and organic curved form.

Kovera has been awarded a prestigious Red Dot and two iF design awards for Product Design. The Red Dot⁽¹⁾ and iF⁽²⁾ awards are internationally recognised seals of outstanding design quality.

1. KOV-100/SB-C/P awarded Red Dot award for Product Design
2. KOV-109S-C/P and KOV-150-C/P awarded iF award for Product Design

Kovera demonstrates that award winning design demands outstanding form and function. When operating the beautifully crafted handle, a regulated seamless flow cascades from the spout in an elegant waterfall.
