YOUR REPUTATION IS EVERYTHING.

THAT'S WHY WE WORK HAND
IN HAND WITH PLUMBERS
AND INSTALLERS TO DEVELOP
PRODUCTS THAT ARE EASY TO
FIT AND BUILT TO LAST.

We understand that time
is money, which is why our
products are designed for
quick, hassle-free installation.

All Axces by
VADO collections
come with a
reassuring 10-year
guarantee*, providing both
you and your customers
confidence in quality.

Made from
premium brass
and finished
with durable chrome
plating, Axces taps keep
their shine day after day,
year after year.

Many Axces taps include a Neoperl Honeycomb Air 4.5l/min flow regulator, improving water pressure, saving money and supporting building regulation compliance.

Just look for this symbol.

Leaking or corroded tails are responsible for many trade call-outs. All Axces products come with WRAS-approved Tucai tails as standard, giving you and your customers a little extra peace of mind.

We believe that functionality and beauty isn't just for high-end designs. Axces offers the perfect balance; practicality and durability for daily use, visual appeal to enhance any bathroom design, as well as quick and easy installation and maintenance.

Selected showers feature thermostatic cartridges, tested to 50,000 cycles to ensure maximum performance with every use, even in the busiest households.

CHOOSE YOUR STYLE.

Then visit the collection page to find a range of coordinating items.

HINTS & TIPS:
WATER SAVING.

Look for this symbol for high-performance water saving.
